Respected Sir,

Enclosure

I beg to bring to your kind notice that during the Khedda operation in 1895, His Excellency the Commander-in-Chief ordered the then Deputy Commissioner, in your presence, to select and give a piece of land adjoining to Mysore and also certain wet lands under the Ramaswamy Tank on my representation to His Excellency that I have entered to settle myself in this province.

Accordingly, I submitted my application to the Deputy Commissioner applying for certain lands in Chamrajnagar Taluk for which I received an endorsement stating that the lands applied for

dry me Cantain toddy grove and they are not to be given out for cultivation without the Special Sanction of the Government. Again I submitted another application to the Deputy Commissioner on the 23rd May 1896. Copy of which is herein enclose for ready reference for which no reply has been favored as yet. I learn that some lands under new channels in Yedataray Taluk will be given out for cultivation. If this is a fact. I humbly beg that I may also be favored with 50 acres of land.

In front of the Kojimes lodge Queen Stables there is a piece of land lying vacant, which I learn belongs to the Palace, a portion of it may be given to me to build a house for my lodging with required timber grated from Government as promised by His Excellency the Dewan.

I humbly request that you will please to advocate in these matters to the Government through the Conservator of Forests forwarding my application with your support and let me the necessary permission.

For this act of kindness I shall be ever thankful to you as to His Highness Government.
